Subpart 2122.1 - Basic Labor Policies

Parent topic: PART 2122 - APPLICATION OF LABOR LAWS TO GOVERNMENT ACQUISITIONS

2122.170 Contract clauses.

The provisions at FAR sections 52.222-21, 52.222-22, 52-222.25 are implemented by changing the word “offeror” to “Contractor” and the word “solicitation” to “contract” wherever they appear in the text to reflect the FEGLI Program's statutory exemption from competitive bidding (5 U.S.C. 8709), which obviates the issuance of solicitations.
