727.404 Basic rights in data clause.

(a) through (f) [Reserved]

(g) When the contract includes a requirement for the contractor to assign copyright to the Government or another party, the contracting officer must insert (48 CFR) 752.227-14 and/or include an express limitation or restriction in the contract. USAID contracting officers will assert such a right in limited circumstances in accordance with the principles as stated in (48 CFR) 27.402.
