5637.590-90 Contractor Manpower Reporting

(Revised June 2021)

Title 10, U.S.C., Sections 235 and 2330a establish the requirement to report on manpower functions and costs under services contracts. Contractors were previously required to report on manpower to eCMRA; however, beginning with the FY20 reporting period (FY21 Q1) reporting will be done in SAM . FAR 4.1705 provides specifics on the data to be reported and applicable clauses.
