33.000 Scope of part.

This part prescribes policies and procedures for filing protests and for processing contract disputes and appeals.

33.001 General.

There are other Federal court-related protest authorities and dispute-appeal authorities that are not covered by this part of the FAR, e.g., 28 U.S.C. 1491 for Court of Federal *Claims* jurisdiction. *Contracting officers should* contact their designated legal advisor for additional information whenever they become aware of any litigation related to their contracts.

Subpart 33.1 - Protests

33.101 Definitions.

As used in this subpart-

Day means a calendar *day*, unless otherwise specified. In the computation of any period-

(1) The *day* of the act, event, or default from which the designated period of time begins to run is not included; and

(2) The last *day* after the act, event, or default is included unless-

(i) The last *day* is a Saturday, Sunday, or Federal holiday; or

(ii) In the case of a filing of a paper at any appropriate administrative forum, the last *day* is a *day* on which weather or other conditions cause the closing of the forum for all or part of the *day*, in which event the next *day* on which the appropriate administrative forum is open is included.

Filed means the complete receipt of any document by an agency before its close of business.

Documents received after close of business are considered *filed* as of the next *day*. Unless otherwise stated, the agency close of business is presumed to be 4:30 p.m., local time.

Interested party for the purpose of filing a protest means an actual or prospective *offeror* whose direct economic interest would be affected by the award of a contract or by the failure to award a contract.

Protest means a written objection by an interested party to any of the following:

(1) A *solicitation* or other request by an agency for *offers* for a contract for the *procurement* of property or services.

(2) The cancellation of the *solicitation* or other request.

(3) An award or proposed award of the contract.

(4) A termination or cancellation of an award of the contract, if the written objection contains an allegation that the termination or cancellation is based in whole or in part on improprieties concerning the award of the contract.

Protest venue means *protests filed* with the agency, the Government Accountability Office, or the U.S. Court of Federal *Claims*. U.S. District Courts do not have any bid *protest* jurisdiction.

33.102 General.

(a) Without regard to the *protest venue*, *contracting officers shall* consider all *protests* and seek legal advice, whether *protests* are submitted before or after award and whether *filed* directly with the agency, the Government Accountability Office (GAO), or the U.S. Court of Federal *Claims*. (See [19.302](#) for *protests* of small business status, [19.305](#) for *protests* of disadvantaged business status, [19.306](#) for *protests* of HUBZone small business status, and [19.307](#) for *protests* of service-disabled veteran-owned small business status, and M) for *protests* of the status of an economically disadvantaged *women-owned small business concern* or of a *women-owned small business concern* eligible under the Women-Owned Small Business Program.)

(b) If, in connection with a *protest*, the head of an agency determines that a *solicitation*, proposed award, or award does not comply with the requirements of law or regulation, the *head of the agency may*-

(1) Take any action that could have been recommended by the Comptroller General had the *protest* been *filed* with the Government Accountability Office;

(2) Pay appropriate costs as stated in [33.104\(h\)](#); and

(3) Require the awardee to reimburse the Government's costs, as provided in this paragraph, where a postaward *protest* is sustained as the result of an awardee's intentional or negligent misstatement, misrepresentation, or miscertification. In addition to any other remedy available, and pursuant to the requirements of [subpart 32.6](#), the Government *may* collect this debt by offsetting the amount against any payment due the awardee under any contract between the awardee and the Government.

(i) When a *protest* is sustained by GAO under circumstances that *may* allow the Government to seek reimbursement for *protest* costs, the *contracting officer* will determine whether the *protest* was sustained based on the awardee's negligent or intentional misrepresentation. If the *protest* was sustained on several issues, *protest* costs *shall* be apportioned according to the costs attributable to the awardee's actions.

(ii) The *contracting officer shall* review the amount of the debt, degree of the awardee's fault, and costs of collection, to determine whether a demand for reimbursement ought to be made. If it is in the best interests of the Government to seek reimbursement, the *contracting officer shall* notify the contractor *in writing* of the nature and amount of the debt, and the intention to collect by offset if necessary. Prior to issuing a final decision, the *contracting officer shall* afford the contractor an opportunity to inspect and copy agency records pertaining to the debt to the extent permitted by statute and regulation, and to request review of the matter by the *head of the contracting activity*.

(iii) When appropriate, the *contracting officer shall* also refer the matter to the agency *debarment* official for consideration under [subpart 9.4](#).

(c) In accordance with [31 U.S.C.1558](#), with respect to any *protest filed* with the GAO, if the funds available to the agency for a contract at the time a *protest is filed* in connection with a *solicitation* for, proposed award of, or award of such a contract would otherwise expire, such funds *shall* remain available for obligation for 100 days after the date on which the final ruling is made on the *protest*. A ruling is considered final on the date on which the time allowed for filing an appeal or request for reconsideration has expired, or the date on which a decision is rendered on such appeal or request, whichever is later.

(d) *Protest likely after award*. The *contracting officer* may stay performance of a contract within the time period contained in paragraph [33.104\(c\)\(1\)](#) if the *contracting officer* makes a written determination that-

(1) A *protest* is likely to be *filed*; and

(2) Delay of performance is, under the circumstances, in the best interests of the *United States*.

(e) An interested party wishing to *protest* is encouraged to seek resolution within the agency (see [33.103](#)) before filing a *protest* with the GAO, but *may protest* to the GAO in accordance with GAO regulations (4 CFR Part 21).

(f) No person *may* file a *protest* at GAO for a *procurement* integrity violation unless that person reported to the *contracting officer* the information constituting evidence of the violation within 14 days after the person first discovered the possible violation ([41 U.S.C.2106](#)).

33.103 Protests to the agency.

(a) *Reference*. Executive Order 12979, *Agency Procurement Protests*, establishes policy on agency *procurement protests*.

(b) Prior to submission of an agency *protest*, all parties *shall* use their best efforts to resolve concerns raised by an interested party at the *contracting officer* level through open and frank discussions.

(c) The agency *should* provide for inexpensive, informal, procedurally simple, and expeditious resolution of *protests*. Where appropriate, the use of alternative dispute resolution techniques, third party neutrals, and another agency's personnel are acceptable *protest* resolution methods.

(d) The following procedures are established to resolve agency *protests* effectively, to build confidence in the Government's *acquisition* system, and to reduce *protests* outside of the agency:

(1) *Protests shall* be concise and logically presented to facilitate review by the agency. Failure to substantially comply with any of the requirements of paragraph (d)(2) of this section *may* be grounds for dismissal of the *protest*.

(2) *Protests shall* include the following information:

(i) Name, address, and fax and telephone numbers of the protester.

(ii) *Solicitation* or contract number.

(iii) Detailed statement of the legal and factual grounds for the *protest*, to include a description of resulting prejudice to the protester.

(iv) Copies of relevant documents.

(v) Request for a ruling by the agency.

(vi) Statement as to the form of relief requested.

(vii) All information establishing that the protester is an *interested party for the purpose of filing a protest*.

(viii) All information establishing the timeliness of the *protest*.

(3) All *protests filed* directly with the agency will be addressed to the *contracting officer* or other official designated to receive *protests*.

(4) In accordance with agency procedures, interested parties *may* request an independent review of their *protest* at a level above the *contracting officer*; *solicitations should* advise potential bidders and *offerors* that this review is available. Agency procedures and/or *solicitations shall* notify potential bidders and *offerors* whether this independent review is available as an alternative to consideration by the *contracting officer* of a *protest* or is available as an appeal of a *contracting officer* decision on a *protest*. Agencies *shall* designate the official(s) who are to conduct this independent review, but the official(s) need not be within the *contracting officer's* supervisory chain. When practicable, officials designated to conduct the independent review *should* not have had previous personal involvement in the *procurement*. If there is an agency appellate review of the *contracting officer's* decision on the *protest*, it will not extend GAO's timeliness requirements. Therefore, any subsequent *protest* to the GAO *must be filed* within 10 days of knowledge of initial adverse agency action (4 CFR21.2(a)(3)).

(e) *Protests* based on alleged apparent improprieties in a *solicitation shall be filed* before bid opening or the closing date for receipt of proposals. In all other cases, *protests shall be filed* no later than 10 days after the basis of *protest* is known or *should* have been known, whichever is earlier. The agency, for good cause shown, or where it determines that a *protest* raises issues significant to the agency's *acquisition* system, *may* consider the merits of any *protest* which is not timely *filed*.

(f) Action upon receipt of *protest*.

(1) Upon receipt of a *protest* before award, a contract *may* not be awarded, pending agency resolution of the *protest*, unless contract award is justified, *in writing*, for urgent and compelling reasons or is determined, *in writing*, to be in the best interest of the Government. Such justification or determination *shall* be approved at a level above the *contracting officer*, or by another official pursuant to agency procedures.

(2) If award is withheld pending agency resolution of the *protest*, the *contracting officer* will inform the *offerors* whose *offers* might become eligible for award of the contract. If appropriate, the *offerors should* be requested, before expiration of the time for acceptance of their *offers*, to extend the time for acceptance to avoid the need for resolicitation. In the event of failure to obtain such extension of *offers*, consideration *should* be given to proceeding with award pursuant to paragraph (f)(1) of this section.

(3) Upon receipt of a *protest* within 10 days after contract award or within 5 days after a debriefing date offered to the protester under a timely debriefing request in accordance with [15.505](#) or [15.506](#), whichever is later, the *contracting officer shall* immediately suspend performance, pending resolution of the *protest* within the agency, including any review by an independent higher level

official, unless continued performance is justified, *in writing*, for urgent and compelling reasons or is determined, *in writing*, to be in the best interest of the Government. Such justification or determination *shall* be approved at a level above the *contracting officer*, or by another official pursuant to agency procedures.

(4) Pursuing an agency *protest* does not extend the time for obtaining a stay at GAO. Agencies *may* include, as part of the agency *protest* process, a voluntary *suspension* period when agency *protests* are denied and the protester subsequently files at GAO.

(g) Agencies *shall* make their best efforts to resolve agency *protests* within 35 days after the *protest* is *filed*. To the extent permitted by law and regulation, the parties *may* exchange relevant information.

(h) Agency *protest* decisions *shall* be well-reasoned, and explain the agency position. The *protest* decision *shall* be provided to the protester using a method that provides evidence of receipt.

33.104 Protests to GAO.

Procedures for *protests* to GAO are found at 4 CFR Part 21 (GAO Bid *Protest* Regulations). In the event guidance concerning GAO procedure in this section conflicts with 4 CFR Part 21, 4 CFR Part 21 governs.

(a) General procedure.

(1) A protester is required to furnish a copy of its complete *protest* to the official and location designated in the *solicitation* or, in the absence of such a designation, to the *contracting officer*, so it is received no later than 1 *day* after the *protest* is *filed* with the GAO. The GAO *may* dismiss the *protest* if the protester fails to furnish a complete copy of the *protest* within 1 *day*.

(2) Immediately after receipt of the GAO's written notice that a *protest* has been *filed*, the agency *shall* give notice of the *protest* to the contractor if the award has been made, or, if no award has been made, to all parties who appear to have a reasonable prospect of receiving award if the *protest* is denied. The agency *shall* furnish copies of the *protest* submissions to such parties with instructions to (i) communicate directly with the GAO, and (ii) provide copies of any such communication to the agency and to other participating parties when they become known. However, if the protester has identified sensitive information and requests a protective order, then the *contracting officer shall* obtain a redacted version from the protester to furnish to other interested parties, if one has not already been provided.

(3)

(i) Upon notice that a *protest* has been *filed* with the GAO, the *contracting officer shall* immediately begin compiling the information necessary for a report to the GAO. The agency *shall* submit a complete report to the GAO within 30 days after the GAO notifies the agency by telephone that a *protest* has been *filed*, or within 20 days after receipt from the GAO of a determination to use the express *option*, unless the GAO-

(A) Advises the agency that the *protest* has been dismissed; or

(B) Authorizes a longer period in response to an agency's request for an extension. Any new date is

documented in the agency's file.

(ii) When a *protest* is *filed* with the GAO, and an actual or prospective *offeror* so requests, the procuring agency *shall*, in accordance with any applicable protective orders, provide actual or prospective *offerors* reasonable access to the *protest* file. However, if the GAO dismisses the *protest* before the documents are submitted to the GAO, then no *protest* file need be made available. Information exempt from disclosure under 5 U.S.C.552 may be redacted from the *protest* file. The *protest* file *shall* be made available to non-intervening actual or prospective *offerors* within a reasonable time after submittal of an agency report to the GAO. The *protest* file *shall* include an index and as appropriate-

(A) The *protest*;

(B) The *offer* submitted by the protester;

(C) The *offer* being considered for award or being protested;

(D) All relevant evaluation documents;

(E) The *solicitation*, including the specifications or portions relevant to the *protest*;

(F) The abstract of *offers* or relevant portions; and

(G) Any other documents that the agency determines are relevant to the *protest*, including documents specifically requested by the protester.

(iii) At least 5 days prior to the filing of the report, in cases in which the protester has *filed* a request for specific documents, the agency *shall* provide to all parties and the GAO a list of those documents, or portions of documents, that the agency has released to the protester or intends to produce in its report, and those documents that the agency intends to withhold from the protester and the reasons for the proposed withholding. Any objection to the scope of the agency's proposed disclosure or nondisclosure of the documents *must* be *filed* with the GAO and the other parties within 2 days after receipt of this list.

(iv) The agency report to the GAO *shall* include-

(A) A copy of the documents described in 33.104(a)(3)(ii);

(B) The *contracting officer's* signed statement of relevant facts, including a best estimate of the contract value, and a memorandum of law. The *contracting officer's* statement *shall* set forth findings, actions, and recommendations, and any additional evidence or information not provided in the *protest* file that *may* be necessary to determine the merits of the *protest*; and

(C) A list of parties being provided the documents.

(4)

(i) At the same time the agency submits its report to the GAO, the agency *shall* furnish copies of its report to the protester and any intervenors. A party *shall* receive all relevant documents, except-

(A) Those that the agency has decided to withhold from that party for any reason, including those covered by a protective order issued by the GAO. Documents covered by a protective order *shall* be released only in accordance with the terms of the order. Examples of documents the agency *may*

decide to exclude from a copy of the report include documents previously furnished to or prepared by a party; *classified information*; and information that would give the party a competitive advantage; and

(B) Protester's documents which the agency determines, pursuant to law or regulation, to withhold from any interested party.

(i) If the protester requests additional documents within 2 days after the protester knew the existence or relevance of additional documents, or *should* have known, the agency *shall* provide the requested documents to the GAO within 2 days of receipt of the request.

(A) The additional documents *shall* also be provided to the protester and other interested parties within this 2-day period unless the agency has decided to withhold them for any reason (see subdivision (a)(4)(i) of this section). This includes any documents covered by a protective order issued by the GAO. Documents covered by a protective order *shall* be provided only in accordance with the terms of the order.

(B) The agency *shall* notify the GAO of any documents withheld from the protester and other interested parties and *shall* state the reasons for withholding them.

(5) The GAO *may* issue protective orders which establish terms, conditions, and restrictions for the provision of any document to an interested party. Protective orders prohibit or restrict the disclosure by the party of *procurement* sensitive information, trade secrets or other proprietary or confidential research, development or commercial information that is contained in such document. Protective orders do not authorize withholding any documents or information from the *United States Congress* or an *executive agency*.

(i) *Requests for protective orders*. Any party seeking issuance of a protective order *shall* file its request with the GAO as soon as practicable after the *protest* is *filed*, with copies furnished simultaneously to all parties.

(ii) *Exclusions and rebuttals*. Within 2 days after receipt of a copy of the protective order request, any party *may* file with the GAO a request that particular documents be excluded from the coverage of the protective order, or that particular parties or individuals be included in or excluded from the protective order. Copies of the request *shall* be furnished simultaneously to all parties.

(iii) *Additional documents*. If the existence or relevance of additional documents first becomes evident after a protective order has been issued, any party *may* request that these additional documents be covered by the protective order. Any party to the protective order also *may* request that individuals not already covered by the protective order be included in the order. Requests *shall* be *filed* with the GAO, with copies furnished simultaneously to all parties.

(iv) *Sanctions and remedies*. The GAO *may* impose appropriate sanctions for any violation of the terms of the protective order. Improper disclosure of protected information will entitle the aggrieved party to all appropriate remedies under law or equity. The GAO *may* also take appropriate action against an agency which fails to provide documents designated in a protective order.

(6) The protester and other interested parties are required to furnish a copy of any comments on the agency report directly to the GAO within 10 days, or 5 days if express *option* is used, after receipt of the report, with copies provided to the *contracting officer* and to other participating interested parties. If a hearing is held, these comments are due within 5 days after the hearing.

(7) Agencies *shall* furnish the GAO with the name, title, and telephone number of one or more

officials (in both field and headquarters offices, if desired) whom the GAO *may* contact who are knowledgeable about the subject matter of the *protest*. Each agency *shall* be responsible for promptly advising the GAO of any change in the designated officials.

(b) *Protests* before award.

(1) When the agency has received notice from the GAO of a *protest filed* directly with the GAO, a contract *may* not be awarded unless authorized, in accordance with agency procedures, by the *head of the contracting activity*, on a nondelegable basis, upon a written finding that-

(i) Urgent and compelling circumstances which significantly affect the interest of the *United States* will not permit awaiting the decision of the GAO; and

(ii) Award is likely to occur within 30 days of the written finding.

(2) A contract award *shall* not be authorized until the agency has notified the GAO of the finding in paragraph (b)(1) of this section.

(3) When a *protest* against the making of an award is received and award will be withheld pending disposition of the *protest*, the *contracting officer* *should* inform the *offerors* whose *offers* might become eligible for award of the *protest*. If appropriate, those *offerors* *should* be requested, before expiration of the time for acceptance of their *offer*, to extend the time for acceptance to avoid the need for resolicitation. In the event of failure to obtain such extensions of *offers*, consideration *should* be given to proceeding under paragraph (b)(1) of this section.

(c) *Protests* after award.

(1) When the agency receives notice of a *protest* from the GAO within 10 days after contract award or within 5 days after a debriefing date offered to the protester for any debriefing that is required by [15.505](#) or [15.506](#), whichever is later, the *contracting officer* *shall* immediately suspend performance or terminate the awarded contract, except as provided in paragraphs (c)(2) and (3) of this section.

(2) In accordance with agency procedures, the *head of the contracting activity* *may*, on a nondelegable basis, authorize contract performance, notwithstanding the *protest*, upon a written finding that-

(i) Contract performance will be in the best interests of the *United States*; or

(ii) Urgent and compelling circumstances that significantly affect the interests of the *United States* will not permit waiting for the GAO's decision.

(3) Contract performance *shall* not be authorized until the agency has notified the GAO of the finding in paragraph (c)(2) of this section.

(4) When it is decided to suspend performance or terminate the awarded contract, the *contracting officer* *should* attempt to negotiate a mutual agreement on a no-cost basis.

(5) When the agency receives notice of a *protest filed* with the GAO after the dates contained in paragraph (c)(1), the *contracting officer* need not suspend contract performance or terminate the awarded contract unless the *contracting officer* believes that an award *may* be invalidated and a delay in receiving the *supplies* or services is not prejudicial to the Government's interest.

(d) *Findings and notice.* If the decision is to proceed with contract award, or continue contract performance under paragraphs (b) or (c) of this section, the *contracting officer shall* include the written findings or other required documentation in the file. The *contracting officer* also *shall* give written notice of the decision to the protester and other interested parties.

(e) *Hearings.* The GAO *may* hold a hearing at the request of the agency, a protester, or other interested party who has responded to the notice in paragraph (a)(2) of this section. A recording or transcription of the hearing will normally be made, and copies *may* be obtained from the GAO. All parties *may* file comments on the hearing and the agency report within 5 days of the hearing.

(f) *GAO decision time.* GAO issues its recommendation on a *protest* within 100 days from the date of filing of the *protest* with the GAO, or within 65 days under the express *option*. The GAO attempts to issue its recommendation on an amended *protest* that adds a new ground of *protest* within the time limit of the initial *protest*. If an amended *protest* cannot be resolved within the initial time limit, the GAO *may* resolve the amended *protest* through an express *option*.

(g) *Notice to GAO.* If the agency has not fully implemented the GAO recommendations with respect to a *solicitation* for a contract or an award or a proposed award of a contract within 60 days of receiving the GAO recommendations, the *head of the contracting activity* responsible for that contract *shall* report the failure to the GAO not later than 5 days after the expiration of the 60-day period. The report *shall* explain the reasons why the GAO's recommendation, exclusive of costs, has not been followed by the agency.

(h) Award of costs.

(1) If the GAO determines that a *solicitation* for a contract, a proposed award, or an award of a contract does not comply with a statute or regulation, the GAO *may* recommend that the agency pay to an appropriate protester the cost, exclusive of profit, of filing and pursuing the *protest*, including reasonable attorney, consultant, and expert witness fees, and bid and proposal preparation costs. The agency *shall* use funds available for the *procurement* to pay the costs awarded.

(2) The protester *shall* file its *claim* for costs with the *contracting* agency within 60 days after receipt of the GAO's recommendation that the agency pay the protester its costs. Failure to file the *claim* within that time *may* result in forfeiture of the protester's right to recover its costs.

(3) The agency *shall* attempt to reach an agreement on the amount of costs to be paid. If the agency and the protester are unable to agree on the amount to be paid, the GAO *may*, upon request of the protester, recommend to the agency the amount of costs that the agency *should* pay.

(4) Within 60 days after the GAO recommends the amount of costs the agency *should* pay the protester, the agency *shall* notify the GAO of the action taken by the agency in response to the recommendation.

(5) No agency *shall* pay a party, other than a small business concern within the meaning of section 3(a) of the Small Business Act (see [2.101](#), "Small business concern"), costs under paragraph (h)(2) of this section-

(i) For consultant and expert witness fees that exceed the highest rate of compensation for expert witnesses paid by the Government pursuant to [5 U.S.C.3109](#) and 5 CFR 304.105; or

(ii) For attorneys' fees that exceed \$150 per hour, unless the agency determines, based on the recommendation of the Comptroller General on a case-by-case basis, that an increase in the cost of

living or a special factor, such as the limited availability of qualified attorneys for the proceedings involved, justifies a higher fee. The cap placed on attorneys' fees for businesses, other than small businesses, constitutes a benchmark as to a "reasonable" level for attorneys' fees for small businesses.

(6) Before paying a recommended award of costs, agency personnel *should* consult legal counsel. Section 33.104(h) applies to all recommended awards of costs that have not yet been paid.

(7) Any costs the contractor receives under this section *shall* not be the subject of subsequent proposals, billings, or *claims* against the Government, and those exclusions *should* be reflected in the cost agreement.

(8) If the Government pays costs, as provided in paragraph (h)(1) of this section, where a postaward *protest* is sustained as the result of an awardee's intentional or negligent misstatement, misrepresentation, or miscertification, the Government *may* require the awardee to reimburse the Government the amount of such costs. In addition to any other remedy available, and pursuant to the requirements of subpart 32.6, the Government *may* collect this debt by offsetting the amount against any payment due the awardee under any contract between the awardee and the Government.

33.105 Protest at the U.S. Court of Federal Claims.

Procedures for *protests* at the U.S. Court of Federal *Claims* are set forth in the rules of the U.S. Court of Federal *Claims*. The rules *may* be found at <http://www.uscfc.uscourts.gov/rules-and-forms>.

33.106 Solicitation provision and contract clause.

(a) The *contracting officer shall* insert the provision at 52.233-2, *Service of Protest*, in *solicitations* for contracts expected to exceed the *simplified acquisition threshold*.

(b) The *contracting officer shall* insert the clause at 52.233-3, *Protest After Award*, in all *solicitations* and contracts. If a cost reimbursement contract is contemplated, the *contracting officer shall* use the clause with its *Alternate I*.

Subpart 33.2 - Disputes and Appeals

33.201 Definitions.

As used in this subpart-

Accrual of a claim means the date when all events, that fix the alleged liability of either the Government or the contractor and permit assertion of the *claim*, were known or *should* have been known. For liability to be fixed, some injury *must* have occurred. However, monetary damages need not have been incurred.

Alternative dispute resolution (ADR) means any type of procedure or combination of procedures voluntarily used to resolve issues in controversy. These procedures *may* include, but are not limited

to, conciliation, facilitation, mediation, fact-finding, minitrials, arbitration, and use of ombudsmen.

Defective certification means a certificate which alters or otherwise deviates from the language in [33.207\(c\)](#) or which is not executed by a person authorized to bind the contractor with respect to the *claim*. Failure to certify *shall* not be deemed to be a *defective certification*.

Issue in controversy means a material disagreement between the Government and the contractor that-

- (1) May result in a *claim*; or
- (2) Is all or part of an existing *claim*.

Misrepresentation of fact means a false statement of substantive fact, or any conduct which leads to the belief of a substantive fact material to proper understanding of the matter in hand, made with intent to deceive or mislead.

33.202 Disputes.

[41 U.S.C. chapter 71](#), Disputes, establishes procedures and requirements for asserting and resolving *claims* subject to the Disputes statute. In addition, the Disputes statute provides for-

- (a) The payment of interest on contractor *claims*;
- (b) Certification of contractor *claims*; and
- (c) A civil penalty for contractor *claims* that are fraudulent or based on a *misrepresentation of fact*.

33.203 Applicability.

(a) Except as specified in paragraph (b) of this section, this part applies to any express or implied contract covered by the Federal *Acquisition* Regulation.

(b) This subpart does not apply to any contract with-

- (1) A foreign government or agency of that government; or
- (2) An international organization or a subsidiary body of that organization, if the *agency head* determines that the application of the Disputes statute to the contract would not be in the public interest.

(c) This part applies to all disputes with respect to *contracting officer* decisions on matters "arising under" or "relating to" a contract. Agency Boards of Contract Appeals (BCAs) authorized under the Disputes statute continue to have all of the authority they possessed before the Disputes statute with respect to disputes arising under a contract, as well as authority to decide disputes relating to a contract. The clause at [52.233-1](#), Disputes, Disputes, recognizes the "all disputes" authority established by the Disputes statute and states certain requirements and limitations of the Disputes statute for the guidance of contractors and *contracting* agencies. The clause is not intended to affect the rights and obligations of the parties as provided by the Disputes statute or to constrain the authority of the statutory agency BCAs in the handling and deciding of contractor appeals under the

Disputes statute.

33.204 Policy.

The Government's policy is to try to resolve all contractual issues in controversy by mutual agreement at the *contracting officer's* level. Reasonable efforts *should* be made to resolve controversies prior to the submission of a *claim*. Agencies are encouraged to use ADR procedures to the maximum extent practicable. Certain factors, however, *may* make the use of ADR inappropriate (see [5 U.S.C.572\(b\)](#)). Except for arbitration conducted pursuant to the Administrative Dispute Resolution Act (ADRA), ([5 U.S.C.571](#), *etseq.*) agencies have authority which is separate from that provided by the ADRA to use ADR procedures to resolve issues in controversy. Agencies *may* also elect to proceed under the authority and requirements of the ADRA.

33.205 Relationship of the Disputes statute to Pub. L.85-804.

(a) Requests for relief under Public Law85-804 ([50 U.S.C.1431-1435](#)) are not *claims* within the Disputes statute or the Disputes clause at [52.233-1](#), Disputes, and *shall* be processed under [subpart 50.1](#), Extraordinary Contractual Actions. However, relief formerly available only under Public Law85-804; *i.e.*, legal entitlement to rescission or reformation for mutual mistake, is now available within the authority of the *contracting officer* under the Contract Disputes statute and the Disputes clause. In case of a question whether the *contracting officer* has authority to settle or decide specific types of *claims*, the *contracting officer should* seek legal advice.

(b) A contractor's allegation that it is entitled to rescission or reformation of its contract in order to correct or mitigate the effect of a mistake *shall* be treated as a *claim* under the Disputes statute. A contract *may* be reformed or rescinded by the *contracting officer* if the contractor would be entitled to such remedy or relief under the law of Federal contracts. Due to the complex legal issues likely to be associated with allegations of legal entitlement, *contracting officers shall* make written decisions, prepared with the advice and assistance of legal counsel, either granting or denying relief in whole or in part.

(c) A *claim* that is either denied or not approved in its entirety under paragraph (b) of this section *may* be cognizable as a request for relief under Public Law85-804 as implemented by [subpart 50.1](#). However, the *claim must* first be submitted to the *contracting officer* for consideration under the Disputes statute because the *claim* is not cognizable under Public Law85-804, as implemented by [subpart 50.1](#), unless other legal authority in the agency concerned is determined to be lacking or inadequate.

33.206 Initiation of a claim.

(a) Contractor *claims shall* be submitted, *in writing*, to the *contracting officer* for a decision within 6 years after *accrual of a claim*, unless the *contracting parties* agreed to a shorter time period. This 6-year time period does not apply to contracts awarded prior to October 1,1995. The *contracting officer shall* document the contract file with evidence of the date of receipt of any submission from the contractor deemed to be a *claim* by the *contracting officer*.

(b) The *contracting officer shall* issue a written decision on any Government *claim* initiated against a

contractor within 6 years after accrual of the *claim*, unless the *contracting* parties agreed to a shorter time period. The 6-year period *shall* not apply to contracts awarded prior to October 1, 1995, or to a Government *claim* based on a contractor *claim* involving fraud.

33.207 Contractor certification.

(a) Contractors *shall* provide the certification specified in paragraph (c) of this section when submitting any *claim* exceeding \$100,000.

(b) The certification requirement does not apply to issues in controversy that have not been submitted as all or part of a *claim*.

(c) The certification *shall* state as follows:

I certify that the *claim* is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the contract adjustment for which the contractor believes the Government is liable; and that I am duly authorized to certify the *claim* on behalf of the contractor.

(d) The aggregate amount of both increased and decreased costs *shall* be used in determining when the dollar thresholds requiring certification are met (see example in [15.403-4\(a\)\(1\)\(iii\)](#) regarding *certified cost or pricing data*).

(e) The certification *may* be executed by any person authorized to bind the contractor with respect to the *claim*.

(f) A *defective certification* *shall* not deprive a court or an agency BCA of jurisdiction over that *claim*. Prior to the entry of a final judgment by a court or a decision by an agency BCA, however, the court or agency BCA *shall* require a *defective certification* to be corrected.

33.208 Interest on claims.

(a) The Government *shall* pay interest on a contractor's *claim* on the amount found due and unpaid from the date that-

(1) The *contracting officer* receives the *claim* (certified if required by [33.207\(a\)](#)); or

(2) Payment otherwise would be due, if that date is later, until the date of payment.

(b) Simple interest on *claims* *shall* be paid at the rate, fixed by the Secretary of the Treasury as provided in the Disputes statute, which is applicable to the period during which the *contracting officer* receives the *claim* and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary during the pendency of the *claim*. (See the clause at [52.232-17](#) for the right of the Government to collect interest on its *claims* against a contractor.)

(c) With regard to *claims* having *defective certifications*, interest *shall* be paid from either the date that the *contracting officer* initially receives the *claim* or October 29, 1992, whichever is later. However, if a contractor has provided a proper certificate prior to October 29, 1992, after submission of a defective certificate, interest *shall* be paid from the date of receipt by the Government of a proper certificate.

33.209 Suspected fraudulent claims.

If the contractor is unable to support any part of the *claim* and there is evidence that the inability is attributable to *misrepresentation of fact* or to fraud on the part of the contractor, the *contracting officer shall* refer the matter to the agency official responsible for investigating fraud.

33.210 Contracting officer's authority.

Except as provided in this section, *contracting officers* are authorized, within any specific limitations of their warrants, to decide or resolve all *claims* arising under or relating to a contract subject to the Disputes statute. In accordance with agency policies and [33.214](#), *contracting officers* are authorized to use ADR procedures to resolve *claims*. The authority to decide or resolve *claims* does not extend to-

(a) A *claim* or dispute for penalties or forfeitures prescribed by statute or regulation that another *Federal agency* is specifically authorized to administer, settle, or determine; or

(b) The settlement, compromise, payment, or adjustment of any *claim* involving fraud.

33.211 Contracting officer's decision.

(a) When a *claim* by or against a contractor cannot be satisfied or settled by mutual agreement and a decision on the *claim* is necessary, the *contracting officer shall*-

(1) Review the facts pertinent to the *claim*;

(2) Secure assistance from legal and other advisors;

(3) Coordinate with the contract administration officer or *contracting office*, as appropriate; and

(4) Prepare a written decision that *shall* include-

(i) A description of the *claim* or dispute;

(ii) A reference to the pertinent contract terms;

(iii) A statement of the factual areas of agreement and disagreement;

(iv) A statement of the *contracting officer's* decision, with supporting rationale;

(v) Paragraphs *substantially as follows*:

"This is the final decision of the *Contracting Officer*. You *may* appeal this decision to the agency board of contract appeals. If you decide to appeal, you *must*, within 90 days from the date you receive this decision, mail or otherwise furnish written notice to the agency board of contract appeals and provide a copy to the *Contracting Officer* from whose decision this appeal is taken. The notice *shall* indicate that an appeal is intended, reference this decision, and identify the contract by number.

With regard to appeals to the agency board of contract appeals, you *may*, solely at your election,

proceed under the board's-

- (1) Small *claim* procedure for *claims* of \$50,000 or less or, in the case of a small business concern (as defined in the Small Business Act and regulations under that Act), \$150,000 or less; or
- (2) Accelerated procedure for *claims* of \$100,000 or less.

Instead of appealing to the agency board of contract appeals, you *may* bring an action directly in the *United States Court of Federal Claims* (except as provided in [41 U.S.C. 7102\(d\)](#), regarding Maritime Contracts) within 12 months of the date you receive this decision"; and

(vi) Demand for payment prepared in accordance with [32.604](#) and [32.605](#) in all cases where the decision results in a finding that the contractor is indebted to the Government.

(b) The *contracting officer shall* furnish a copy of the decision to the contractor by certified mail, return receipt requested, or by any other method that provides evidence of receipt. This requirement *shall* apply to decisions on *claims* initiated by or against the contractor.

(c) The *contracting officer shall* issue the decision within the following statutory time limitations:

(1) For *claims* of \$100,000 or less, 60 days after receiving a written request from the contractor that a decision be rendered within that period, or within a reasonable time after receipt of the *claim* if the contractor does not make such a request.

(2) For *claims* over \$100,000, 60 days after receiving a certified *claim*; provided, however, that if a decision will not be issued within 60 days, the *contracting officer shall* notify the contractor, within that period, of the time within which a decision will be issued.

(d) The *contracting officer shall* issue a decision within a reasonable time, taking into account-

- (1) The size and complexity of the *claim*;
- (2) The adequacy of the contractor's supporting data; and
- (3) Any other relevant factors.

(e) The *contracting officer shall* have no obligation to render a final decision on any *claim* exceeding \$100,000 which contains a *defective certification*, if within 60 days after receipt of the *claim*, the *contracting officer* notifies the contractor, *in writing*, of the reasons why any attempted certification was found to be defective.

(f) In the event of undue delay by the *contracting officer* in rendering a decision on a *claim*, the contractor *may* request the tribunal concerned to direct the *contracting officer* to issue a decision in a specified time period determined by the tribunal.

(g) Any failure of the *contracting officer* to issue a decision within the required time periods will be deemed a decision by the *contracting officer* denying the *claim* and will authorize the contractor to file an appeal or suit on the *claim*.

(h) The amount determined payable under the decision, less any portion already paid, *should* be paid, if otherwise proper, without awaiting contractor action concerning appeal. Such payment *shall* be without prejudice to the rights of either party.

33.212 Contracting officer's duties upon appeal.

To the extent permitted by any agency procedures controlling contacts with agency BCA personnel, the *contracting officer shall* provide data, documentation, information, and support as *may* be required by the agency BCA for use on a pending appeal from the *contracting officer's* decision.

33.213 Obligation to continue performance.

(a) In general, before passage of the Disputes statute, the obligation to continue performance applied only to *claims* arising under a contract. However, the Disputes statute, at [41 U.S.C.7103\(g\)](#), authorizes agencies to require a contractor to continue contract performance in accordance with the *contracting officer's* decision pending a final resolution of any *claim* arising under, or relating to, the contract. (A *claim* arising under a contract is a *claim* that can be resolved under a *contract clause*, other than the clause at [52.233-1](#), Disputes, that provides for the relief sought by the claimant; however, relief for such *claim* can also be sought under the clause at [52.233-1](#). A *claim* relating to a contract is a *claim* that cannot be resolved under a *contract clause* other than the clause at [52.233-1](#).) This distinction is recognized by the clause with its Alternate I (see [33.215](#)).

(b) In all contracts that include the clause at [52.233-1](#), Disputes, with its Alternate I, in the event of a dispute not arising under, but relating to, the contract, the *contracting officer shall* consider providing, through appropriate agency procedures, financing of the continued performance; provided, that the Government's interest is properly secured.

33.214 Alternative dispute resolution (ADR).

(a) The objective of using ADR procedures is to increase the opportunity for relatively inexpensive and expeditious resolution of issues in controversy. Essential elements of ADR include-

- (1) Existence of an *issue in controversy*;
- (2) A voluntary election by both parties to participate in the ADR process;
- (3) An agreement on alternative procedures and terms to be used in lieu of formal litigation; and
- (4) Participation in the process by officials of both parties who have the authority to resolve the *issue in controversy*.

(b) If the *contracting officer* rejects a contractor's request for ADR proceedings, the *contracting officer shall* provide the contractor a written explanation citing one or more of the conditions in [5 U.S.C.572\(b\)](#) or such other specific reasons that ADR procedures are inappropriate for the resolution of the dispute. In any case where a contractor rejects a request of an agency for ADR proceedings, the contractor *shall* inform the agency *in writing* of the contractor's specific reasons for rejecting the request.

(c) ADR procedures *may* be used at any time that the *contracting officer* has authority to resolve the *issue in controversy*. If a *claim* has been submitted, ADR procedures *may* be applied to all or a portion of the *claim*. When ADR procedures are used subsequent to the issuance of a *contracting officer's* final decision, their use does not alter any of the time limitations or procedural requirements for filing an appeal of the *contracting officer's* final decision and does not constitute a

reconsideration of the final decision.

(d) When appropriate, a *neutral person* may be used to facilitate resolution of the *issue in controversy* using the procedures chosen by the parties.

(e) The confidentiality of ADR proceedings *shall* be protected consistent with 5 U.S.C.574.

(f)

(1) A *solicitation shall* not require arbitration as a condition of award, unless arbitration is otherwise required by law. *Contracting officers should* have flexibility to select the appropriate ADR procedure to resolve the issues in controversy as they arise.

(2) An agreement to use arbitration *shall be in writing* and *shall* specify a maximum award that *may* be issued by the arbitrator, as well as any other conditions limiting the range of possible outcomes.

(g) Binding arbitration, as an ADR procedure, *may* be agreed to only as specified in agency guidelines. Such guidelines *shall* provide advice on the appropriate use of binding arbitration and when an agency has authority to settle an *issue in controversy* through binding arbitration.

33.215 Contract clauses.

(a) Insert the clause at 52.233-1, Disputes, in *solicitations* and contracts, unless the conditions in 33.203(b) apply. If it is determined under agency procedures that continued performance is necessary pending resolution of any *claim* arising under or relating to the contract, the *contracting officer shall* use the clause with its Alternatel.

(b) Insert the clause at 52.233-4 in all *solicitations* and contracts.
