

**Class Deviation for Federal Acquisition Regulation Part 24 in accordance with Executive Order 14275, “Restoring Common Sense to the Federal Procurement”
(2026-0021)**

1. Purpose: To issue a class deviation to Federal Acquisition Regulation (FAR) Part 24 for purposes of implementing the FAR Council’s model deviation text to FAR Part 24.

2. Effective Date: Immediately.

3. Expiration Date: Expires when the FAR Council’s model deviation text to FAR Part 24 is incorporated into the FAR or this class deviation is otherwise rescinded.

4. Background: On April 15, 2025, the [Executive Order \(EO\) 14275, Restoring Common Sense to Federal Procurement](#), was signed. Section 2 of the EO establishes the policy that the FAR “should only contain provisions required by statute or essential to sound procurement, and any FAR provisions that do not advance these objectives should be removed.”

The FAR is being updated to:

- Remove language that is not required by statute
- Remove duplicative or outdated language
- Clarify or provide more plain language
- Revise language for the new FAR framework
- Retain language necessary for governmentwide acquisition standards.

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

5. Summary of Changes: FAR Part 24, *Protection of Privacy and Freedom of Information*, has been retained with minimal deletions and minor updates made for plain language. No changes were made to provisions or clauses.

The only change of note is section 24.301 is deleted. This section outlined requirements for contractors to provide their employees with privacy training. The content is duplicative as it is already covered in clause 52.224-3.

Statutory requirements retained in the RFO FAR Part 24 model deviation include, but may not be limited to, the following:

- 5 U.S.C. § 552, as amended, Freedom of Information Act
- 5 U.S.C. § 552a (Pub. L. 93-579), Privacy Act of 1974
- 5 U.S.C. § 574, Confidentiality
- 10 U.S.C. § 3309 and 41 U.S.C. § 4702, Prohibition on Release of Contractor Proposals
- 10 U.S.C. § 3705 and 41 U.S.C. § 3505, Submission of Other Information
- OMB Circular No. A-130, Managing Information as a Strategic Resource

6. Required Action: The CFPB acquisition workforce shall follow the RFO Part 24 model deviation text instead of FAR Part 24 as codified at 48 CFR Chapter 1. The Council's RFO Part 24 model deviation text is available at [Acquisition.gov/far-overhaul](https://www.acquisition.gov/far-overhaul) and is incorporated into this class deviation.

7. Applicability: This class deviation applies to all CFPB procurements.

8. Authority: This deviation is issued under the authority of Executive Order 14275, OMB Memo M-25-26, 48 CFR 1.4 and RFO FAR 1.304.
