

**Class Deviation for Federal Acquisition Regulation Part 32 in accordance with Executive Order 14275, “Restoring Common Sense to the Federal Procurement”  
(2026-0029)**

**1. Purpose:** To issue a class deviation to Federal Acquisition Regulation (FAR) Part 32 for purposes of implementing the FAR Council’s model deviation text to FAR Part 32.

**2. Effective Date:** Immediately.

**3. Expiration Date:** Expires when the FAR Council’s model deviation text to FAR Part 32 is incorporated into the FAR or this class deviation is otherwise rescinded.

**4. Background:** On April 15, 2025, the [Executive Order \(EO\) 14275, Restoring Common Sense to Federal Procurement](#), was signed. Section 2 of the EO establishes the policy that the FAR “should only contain provisions required by statute or essential to sound procurement, and any FAR provisions that do not advance these objectives should be removed.”

The FAR is being updated to:

- Remove language that is not required by statute
- Remove duplicative or outdated language
- Clarify or provide more plain language
- Revise language for the new FAR framework
- Retain language necessary for governmentwide acquisition standards.

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

**5. Summary of Changes:** FAR Part 32, *Contract Financing*, has been updated to simplify the part, remove outdated information, and add a new subpart (and corresponding clause) for Fast Payment Procedures (previously at subpart 13.4) for smaller dollar purchases.

Statutory requirements and presidential directives retained in the RFO FAR Part 32 model deviation include, but are not limited to, the following:

- 10 U.S.C. §§ 3801 et seq and 41 U.S.C. §§ 4501 *et seq.*, Contract Financing
- 31 U.S.C. § 1341, Anti-Deficiency Act
- 31 U.S.C. § 3324, Advances
- 31 U.S.C. § 3711, Debt Collection Improvement Act of 1996
- 31 U.S.C. § 3727 and 41 U.S.C. § 6305, Assignment of Claims Act of 1940
- 31 U.S.C. §§ 3901 et seq, Prompt Payment Act
- 50 U.S.C. §§ 4501 et seq, Defense Production Act of 1950
- Pub. L. 102-190 Sec 806 as amended (10 U.S.C. § 4601 note prec.), Government-wide Application of Payment Protections for Subcontractors and Suppliers

| Change                    | Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

|  | <ul style="list-style-type: none"> <li>• Sections 32.304 through 32.306, under subpart 32.3, “Loan Guarantees for Defense Production”, are deleted and marked reserved. These sections and associated subsections provided extensive procedural details for the loan guarantee program. While the program's authority remains in sections 32.302 and 32.303, the responsibility for implementation procedures is with the individual guaranteeing agencies and does not need to be spelled out in detail in the FAR.</li> <li>• Section 32.403 “Applicability”, under subpart 32.4, “Advance Payments for Other Than Commercial Acquisitions”, is deleted and marked reserved. The language provided a detailed list in paragraphs (a) through (h), of eight specific categories where advance payments might be appropriate. This served as illustrative guidance and a non-exhaustive checklist that is not based in statute or required in the FAR. See the FAR Companion for best practice.</li> </ul> |
|--|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

The preceding table is not an exhaustive list.

**6. Required Action:** The CFPB acquisition workforce shall follow the RFO Part 32 model deviation text instead of FAR Part 32 as codified at 48 CFR Chapter 1. The Council’s RFO Part 32 model deviation text is available at [Acquisition.gov/far-overhaul](https://www.acquisition.gov/far-overhaul) and is incorporated into this class deviation.

For new solicitations or contracts, when using any provisions or clauses that have been revised, utilize the RFO model deviation language at RFO FAR part 52.

For open solicitations or awarded contracts, the Contracting Officer has discretion regarding the need to enforce or amend the provisions or clauses.

Contracting activities must review templates and related standard operating procedures to align with this deviation and remove unnecessary processes and steps.

**7. Applicability:** This class deviation applies to all CFPB procurements.

**8. Authority:** This deviation is issued under the authority of Executive Order 14275, OMB Memo M-25-26, 48 CFR 1.4 and RFO FAR 1.304.
