5605.102 Availability of Solicitations.

(Revised August 2016)

(a)(7)

(A) When posting is required, contracting offices shall post all solicitations over $25,000 electronically on Government Point of Entry (GPE) website.

(B) When electronic dissemination of a solicitation is not practical, the Contracting Officer shall annotate the contract file with the rationale for the decision. No annotation is required for classified solicitations.
