The audit must be performed in accordance with Generally Accepted Government Auditing Standards or other requirements issued by OPM. The report by the independent accounting firm on its audit must be submitted to OPM along with the annual financial report.

(3) Based on the results of either the independent audit or a Government audit, the FEGLI contract may be:

- (i) Adjusted by amounts found not to constitute chargeable costs; or
- (ii) Adjusted for prior overpayments or underpayments.

(b) *Definition of costs.*

(1) A cost is chargeable to the contract for a contract term if it is:

- (i) An actual, allowable, allocable, and reasonable cost;

Administrative expenses exclude the expenses related to investment income in paragraph (b)(2)(iii) of this clause.

(B) *Administrative expense ceiling.* Each year an administrative expense ceiling for the following contract year is calculated based on the prior contract year's administrative expense ceiling, adjusted by the percentage change in the average monthly consumer Price Index for All Urban Consumers for the preceding 12 months. Administrative expenses are reimbursed up to the administrative expense ceiling or actual costs, whichever is less. Both parties will reexamine the base, including the prior year's actual expenses, at the request of either OPM or the Contractor. Within the administrative expense ceiling is a separately negotiated limit for indirect costs that may be charged against the ceiling for the contract year. The Contractor agrees to provide annually to the Contracting Officer a detailed report of direct and indirect administrative costs which form the basis for determining the limit on indirect costs for the following contract year. During a continuity of services period, OPM and the Contractor will negotiate a one-time increase in the administrative expense ceiling to cover phase-in/phase-out costs. Costs that exceed the revised ceiling must be submitted by the Contractor, in writing and in advance of their incurrence, to the Contracting Officer for approval.

Payments (OCT 2005)

(a) OPM will make available to the Contractor, in full settlement of its obligations under this contract, subject to adjustment based on actual claims and administrative cost, a fixed premium once per month on the first business day of the month. The premium is determined by an estimate of costs for the contract year as provided in Section _____ and is redetermined annually by mutual agreement of OPM and the Contractor. In addition, an annual reconciliation of premiums, benefits, and other costs is performed, and additional payment by OPM or reimbursement by the Contractor is paid as necessary.

(b) If OPM fails to fund the Letter of Credit (LOC) account for the full amount of premium due by the due date, a grace period of 31 days will be granted to OPM for providing any premium due, unless OPM has previously given written notice to the Contractor that the contract is to be discontinued. The contract will continue in force during the grace period.

(c) If OPM fails to fund the LOC account for any premiums within the grace period, the contract may be terminated at the end of the 31st day of the grace period in accordance with LIFAR 2149.002(a)(2). If during the grace period OPM presents written notice to the Contractor that the contract is to be terminated before the expiration of the grace period, the contract will be terminated the later of the date of receipt of such written notice by the Contractor or the date specified by OPM for termination. In either event, OPM will be liable to the Contractor for all premiums then due and unpaid.

(d) In accordance with LIFAR 2143.205 and LIFAR 2252.243-70, Changes, if a change is made to the contract that increases or decreases the cost of performance of the work under this contract, the Contracting Officer will make an equitable adjustment to the payments under this contract.

(e) In the event this contract is terminated in accordance with LIFAR part 2149, the special contingency reserve held by the Contractor will be available to pay the necessary and proper charges against this contract after other Program assets held by the Contractor are exhausted.

Reconciliations between amounts reported and actual amounts shown in accounting records must be provided as supporting schedules to the annual financial report.

(End of clause)

2152.232-72 Approval for assignment of claims.

As prescribed in 2132.806, insert the following clause:

Approval For Assignment of Claims (OCT 1993)

(a) The Contractor shall not make any assignment of FEGLI Program funds under the Assignment of Claims Act without the prior written approval of the Contracting Officer.

(b) Unless a different period is specified in the Contracting Officer's written approval, an assignment of FEGLI Program funds shall be in force only for a period of 1 year from the date of the Contracting Officer's approval. However, assignments may be renewed upon their expiration.

(End of clause)

2152.237-70 Continuity of services.

As prescribed in 2137.110, insert the following clause:

Continuity of Service (OCT 2005)

(a) The Contractor recognizes that the services under this contract are vital to the Government and must be continued without interruption. The Contractor further recognizes that upon contract expiration or termination, including termination by the Contractor for OPM's failure to make timely premium payments, a successor, either the Government or another Contractor, may continue them. The Contractor agrees to furnish phase-in training and exercise its best efforts and cooperation to effect an orderly and efficient transition to a successor.

(b) The Contractor shall, upon the Contracting Officer's written notice,

(1) furnish phase-in and phase-out services for up to 10 months after this contract expires and (2) negotiate in good faith a plan with a successor to determine the nature and extent of phase-in and phase-out services required. The plan shall specify a training program and a date for transferring responsibilities for each division of work described in the plan, and shall be subject to the Contracting Officer's approval. The Contractor shall provide sufficient experienced personnel during the phase-in and phase-out period to ensure that the services called for by this contract are maintained at the required level of proficiency.

(c) The Contractor must allow as many experienced personnel as practicable to remain on the job during the transition period to help the successor maintain the continuity and consistency of the services required by this contract. The Contractor also must, except if prohibited by applicable law, disclose necessary personnel records and allow the successor to conduct onsite interviews with these employees. If selected employees are agreeable to the change, the Contractor must release them at a mutually agreeable date and negotiate transfer of their earned fringe benefits to the successor.

(d) The Contractor will be reimbursed for all reasonable phase-in, phase-out costs (i.e., costs incurred within the agreed period after contract termination that result from phase-in and phase-out operations) in accordance with the provisions of the administrative expense ceiling in the clause at 2152.231-70(b)(2)(ii)(B) and a risk charge or a service charge (profit) not to exceed a pro rata portion of the risk or service charge under this contract. The amount of profit will be based upon the accurate and timely processing of benefit claims, the volume and validity of complaints received by OPM, the timeliness and adequacy of reports on operations, and responsiveness to OPM offices, enrollees, beneficiaries, and Congress. In setting the final profit figure, obstacles overcome by the Contractor during the phase-in and phase-out period will be taken into consideration. OPM will pay an incentive amount to the Contractor not to exceed the pro rata risk or service charge for the continuity of services period, if the Contractor has performed exceptionally during the transition period to a new Contractor. The Contracting Officer uses the weighted guidelines method described in LIFAR 2115.404-71 in determining the incentive amount.

(End of clause)

2152.243-70 Changes.

As prescribed in 2143.205, insert the following clause:

- (1) Description of services to be performed;
- (2) Time of performance (i.e., hours of the day, days of the week, etc.);
- (3) Place of performance of the services.

(b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this contract, or the Contractor's liability under this

contract, whether or not changed by the order, the Contracting Officer shall make an equitable adjustment in the contract price, the delivery schedule, or both, and shall modify the contract.

(c) The Contractor must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order. However, if the Contracting Officer decides that the facts justify it, the Contracting Officer may receive and act upon a proposal submitted before final payment of the contract.

(d) If the Contractor's proposal includes the cost of property made obsolete or excess by the change, the Contracting Officer shall have the right to prescribe the manner of the disposition of the property.

(e) Failure to agree to any adjustment shall be a dispute under the Disputes clause. However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.

(f) The Contracting Officer shall not make any changes pursuant to paragraph (a) of this clause to conform this contract to any amendment in the LIFAR before the effective date of the amendment as provided for in LIFAR 2101.370.

2152.249-70 Renewal and termination.

As prescribed in 2149.505-70, insert the following clause:

Renewal and Termination (OCT 2005)

(a) This contract renews automatically each October 1st, unless written notice of termination is given by the Contractor not less than 60 calendar days before the renewal date.

(b) This contract may be terminated by OPM at any time in accordance with FAR part 49 and FAR 52.249-8 for default by the Contractor. This contract terminates at the end of the grace period if the Government does not fund the LOC account for any of the premium due to the Contractor (see LIFAR 2149.002(a)(2)). However, the Contractor and OPM may agree to continue the contract. In addition, the Contractor agrees to reinstate the contract if termination

(1) arose out of the Government's inadvertent failure to fund the LOC account for the amount of the premium payment prior to the expiration of the grace period as defined in LIFAR 2102.101, and/or
(2) was due to circumstances beyond the Government's control, provided that the LOC account is funded in the amount of the premium payment due to the Contractor within 5 days after the expiration of the grace period. In the event of such reinstatement, OPM will equitably adjust the payments due under the contract to compensate the Contractor for any increased costs of performance that result from the Government's failure to fund the LOC account prior to the expiration of the grace period and/or such reinstatement.

(c) This contract may be terminated for convenience of the Government 60 days after the Contractor's receipt of OPM's written notice of termination.

(d) Upon termination of the contract for Contractor's default or OPM's convenience, the Contractor agrees to assist OPM with an orderly and efficient transition to a successor in accordance with LIFAR 2137.102, LIFAR 2137.110, and the provisions of the "Continuity of Services" clause at 2152.237-70. The Contractor is not required to continue performance subsequent to OPM's failure to fund the LOC account for premiums due under paragraph (b) of this clause.

(e) After receipt of a termination notice, the prime Contractor shall, unless directed otherwise by the Contracting Officer, terminate all subcontracts to the extent that they relate to the performance of the FEGLI Program contract. The failure of the prime Contractor to include an appropriate termination clause in any subcontract, or to exercise the clause rights, shall not affect the Contracting Officer's right to require the termination of the subcontract; or increase the obligation of the Government beyond what it would have been if the subcontract had contained an appropriate clause.
