

326.603-3 Deviations.

(a) There are certain instances where the application of the Buy Indian Act to an acquisition may not be appropriate. In these instances, the CO must detail the reasons in writing or via email and make a deviation determination.

(c) Deviation determinations shall be required for all other acquisitions where the Buy Indian Act is applicable and must be approved as follows:

Table 1 to Paragraph (c)

Exceeding the micro-purchase threshold and up to \$25,000	Contracting Officer.

(d) Deviations may be authorized prior to issuing the solicitation when the CO makes the following determinations and takes the following actions:

(1) The CO determines after market research that there is no reasonable expectation of obtaining offers that will be competitive in terms of market price, quality and delivery from two or more responsible ISBEs or IEs.

(2) The deviation determination is authorized by the official listed at HHSAR 326.603-3(c) for the applicable contract action.
