

## **246.402 Government contract quality assurance at source.**

Do not require Government contract quality assurance at source for contracts or delivery orders valued below \$400,000, unless—

- (1) Mandated by DoD regulation;
- (2) Required by a memorandum of agreement between the acquiring department or agency and the contract administration agency; or
- (3) The contracting officer determines that—
  - (i) Contract technical requirements are significant (e.g., the technical requirements include drawings, test procedures, or performance requirements);
  - (ii) The product being acquired—
    - (A) Has critical characteristics;
    - (B) Has specific features identified that make Government contract quality assurance at source necessary; or
    - (C) Has specific acquisition concerns identified that make Government contract quality assurance at source necessary; and
  - (iii) The contract is being awarded to—
    - (A) A manufacturer or producer; or
    - (B) A non-manufacturer or non-producer and specific Government verifications have been identified as necessary and feasible to perform.
