(b) The information requested by the AIDAR sections listed in paragraph (a) is necessary to allow USAID to prudently administer public funds. Information is required in order for a contractor and/or its employee to obtain a benefit-usually taking the form of payment under a Government contract.

(c) Public reporting burden for these collections of information is estimated as shown in paragraph (a) of this section. The estimated burden includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
