3.501-2 General.

- (a) *Buying-in may* decrease competition or result in poor contract performance. The *contracting officer must* take appropriate action to ensure *buying-in* losses are not recovered by the contractor through the *pricing* of-
- (1) Change orders; or
- (2) Follow-on contracts subject to cost analysis.
- (b) The Government *should* minimize the opportunity for *buying-in* by seeking a price commitment covering as much of the entire program concerned as is practical by using-
- (1) Multiyear *contracting*, with a requirement in the *solicitation* that a price be submitted only for the total multi-year quantity; or
- (2) Priced *options* for additional quantities that, together with the firm contract quantity, equal the program requirements (see <u>subpart 17.2</u>).
- (c) Other safeguards are available to the *contracting officer* to preclude recovery of *buying-in* losses (e.g., amortization of nonrecurring costs (see 15.408, Table 15-1, paragraph A, column (2) under "Formats for Submission of *Line Item* Summaries") and treatment of unreasonable price quotations (see 15.405).
