

4.001 Definitions.

As used in this part-

Procurement Instrument Identifier (PIID) means the Government-unique identifier for each *solicitation*, contract, agreement, or order. For example, an agency *may* use as its PIID for *procurement* actions, such as delivery and *task orders* or basic ordering agreements, the order or agreement number in conjunction with the contract number (see [4.1602](#)).

Supplementary procurement instrument identifier means the non-unique identifier for a *procurement* action that is used in conjunction with the Government-unique identifier. For example, an agency *may* use as its PIID for an amended *solicitation*, the Government-unique identifier for a *solicitation* number (*e.g.*, N0002309R0009) in conjunction with a non-unique amendment number (*e.g.*, 0001). The non-unique amendment number represents the supplementary PIID.
