

11.500 Scope.

(a) This subpart prescribes policies and procedures for using liquidated damages clauses in *solicitations* and contracts for *supplies*, services, research and development, and *construction*.

(b) This subpart does not apply to liquidated damages-

(1) For subcontracting plans (see [19.705-7](#));

(2) Related to the Contract Work Hours and Safety Standards statute (see [subpart 22.3](#)); or

(3) Related to paid sick leave for Federal contractors (see [subpart 22.21](#)).
