11.500 Scope.

(a) This subpart prescribes policies and procedures for using liquidated damages clauses in *solicitations* and contracts for *supplies*, services, research and development, and *construction*.

- (b) This subpart does not apply to liquidated damages-
- (1) For subcontracting plans (see 19.705-7);
- (2) Related to the Contract Work Hours and Safety Standards statute (see subpart 22.3); or
- (3) Related to paid sick leave for Federal contractors (see <u>subpart 22.21</u>).
