## 15.002 Types of negotiated acquisition.

- (a) *Sole source acquisitions.* When *contracting* in a sole source environment, the request for proposals (RFP) *should* be tailored to remove unnecessary information and requirements; *e.g.*, evaluation criteria and voluminous proposal preparation instructions.
- (b) Competitive acquisitions. When contracting in a competitive environment, the procedures of this part are intended to minimize the complexity of the solicitation, the evaluation, and the source selection decision, while maintaining a process designed to foster an impartial and comprehensive evaluation of offerors' proposals, leading to selection of the proposal representing the best value to the Government (see 2.101).
