

17.105-2 Objectives.

Use of multi-year *contracting* is encouraged to take advantage of one or more of the following:

- (a) Lower costs.
- (b) Enhancement of standardization.
- (c) Reduction of administrative burden in the placement and administration of contracts.
- (d) Substantial continuity of production or performance, thus avoiding annual startup costs, preproduction testing costs, make-ready expenses, and phaseout costs.
- (e) Stabilization of contractor work forces.
- (f) Avoidance of the need for establishing quality control techniques and procedures for a new contractor each year.
- (g) Broadening the competitive base with opportunity for participation by firms not otherwise willing or able to compete for lesser quantities, particularly in cases involving high startup costs.
- (h) Providing incentives to contractors to improve productivity through investment in capital facilities, equipment, and advanced technology.
