Construction, alteration, or repair means all types of work done by laborers and mechanics employed by the *construction* contractor or *construction* subcontractor on a particular *building or work* at the site thereof, including without limitations-

(2) Does not include workers whose duties are primarily executive, supervisory (except as provided in paragraph (1)(iii) of this definition), administrative, or clerical, rather than manual. Persons employed in a bona fide executive, administrative, or professional capacity as defined in 29 CFR part 541 are not deemed to be laborers or mechanics.

Public building or public work means *building or work*, the *construction*, prosecution, completion, or repair of which, as defined in this section, is carried on directly by authority of, or with funds of, a *Federal agency* to serve the interest of the general public regardless of whether title thereof is in a *Federal agency*.
