

25.504-2 WTO GPA/Caribbean Basin Trade Initiative/FTAs.

Example 1.

<i>Offer A</i>	\$304,000	<i>U.S.-made end product</i> (not domestic)
<i>Offer B</i>	\$303,000	<i>U.S.-made end product</i> (domestic), small business
<i>Offer C</i>	\$300,000	<i>Eligible product</i>
<i>Offer D</i>	\$295,000	<i>Noneligible product</i> (not U.S.-made)

Analysis: Eliminate *Offer D* because the *acquisition* is covered by the *WTO GPA* and there is an *offer* of a U.S.-made or an *eligible product* (see [25.502\(b\)\(1\)](#)). If the agency gives the same consideration given *eligible offers* to *offers* of *U.S.-made end products* that are not *domestic offers*, it is unnecessary to determine if *U.S.-made end products* are domestic (large or small business). No further analysis is necessary. Award on the low remaining *offer*, *Offer C* (see [25.502\(b\)\(2\)](#)).
