## **31.104 Contracts with educational institutions.**

This category includes all contracts and *contract modifications* for research and development, training, and other work performed by educational institutions (defined as institutions of higher educations in the OMB Uniform Guidance at 2 CFR part 200, subpart A, and <u>20 U.S.C. 1001</u>).

(a) The *contracting officer shall* incorporate the cost principles and procedures in <u>subpart 31.3</u> by reference in cost-reimbursement contracts with educational institutions as the basis for-

(1) Determining reimbursable costs under the contracts and cost-reimbursement subcontracts thereunder performed by educational institutions;

(2) Negotiating indirect cost rates; and

(3) Settling costs of cost-reimbursement terminated contracts (see <u>subpart 49.3</u> and <u>49.109-7</u>).

(b) The cost principles in this subpart are to be used as a guide in evaluating costs in connection with negotiating fixed-price contracts and termination settlements.
