

33.204 Policy.

The Government's policy is to try to resolve all contractual issues in controversy by mutual agreement at the *contracting officer's* level. Reasonable efforts *should* be made to resolve controversies prior to the submission of a *claim*. Agencies are encouraged to use ADR procedures to the maximum extent practicable. Certain factors, however, *may* make the use of ADR inappropriate (see [5 U.S.C.572\(b\)](#)). Except for arbitration conducted pursuant to the Administrative Dispute Resolution Act (ADRA), ([5 U.S.C.571](#), *etseq.*) agencies have authority which is separate from that provided by the ADRA to use ADR procedures to resolve issues in controversy. Agencies *may* also elect to proceed under the authority and requirements of the ADRA.
