

37.301 Labor standards.

Contracts for dismantling, demolition, or removal of improvements are subject to either [41 U.S.C.chapter 67](#), Service Contract Labor Standards, or [40 U.S.C.chapter 31](#), subchapter IV, Wage Rate Requirements (*Construction*). If the contract is solely for dismantling, demolition, or removal of improvements, the Service Contract Labor Standards statute applies unless further work which will result in the *construction*, alteration, or repair of a public building or public work at that location is contemplated. If such further *construction* work is intended, even though by separate contract, then the *Construction* Wage Rate Requirements statute applies to the contract for dismantling, demolition, or removal.
