45.106 Transferring accountability.

Government property shall be transferred from one contract to another only when firm requirements exist under the gaining contract (see 45.102). Such transfers *shall* be documented by modifications to both gaining and losing contracts. Once transferred, all *property shall* be considered *Government-furnished property* to the gaining contract. The *warranties* of suitability of use and timely delivery of *Government-furnished property* do not apply to *property* acquired or fabricated by the contractor as *contractor-acquired property* that is subsequently transferred to another contract with the same contractor.
