47.306 Transportation factors in the evaluation of offers.

When evaluating *offers*, *contracting officers shall* consider transportation and transportation-related costs as well as the *offerors*' shipping and receiving facilities.

- <u>47.306-1 Transportation cost determinations.</u>
- <u>47.306-2 Lowest overall transportation costs.</u>
- <u>47.306-3 Adequacy of loading and unloading facilities.</u>
