

47.404 Air freight forwarders.

(a) Agencies *may* use *air freight forwarders* that are engaged in *international air transportation* ([49 U.S.C. 1301\(c\)](#)) for U.S. Government-financed movements of property. The rule on disallowance of expenditures in [47.403-3\(a\)](#) applies also to the *air carriers* used by these international *air freight forwarders*.

(b) Agency personnel *shall* inform international *air freight forwarders* that to facilitate prompt payments of their bills, they *shall* submit with their bills-

(1) A copy of the airway bill or manifest showing the *air carriers* used; and

(2) Justification for the use of foreign-flag *air carriers* similar to the one shown in the clause at [52.247-63](#), Preference for *U.S.-Flag Air Carriers*.
