47.404 Air freight forwarders.

- (a) Agencies may use air freight forwarders that are engaged in international air transportation ($\underline{49}$ <u>U.S.C. 1301(c)</u>) for U.S. Government-financed movements of property. The rule on disallowance of expenditures in $\underline{47.403-3}$ (a) applies also to the air carriers used by these international air freight forwarders.
- (b) Agency personnel *shall* inform international *air freight forwarders* that to facilitate prompt payments of their bills, they *shall* submit with their bills-
- (1) A copy of the airway bill or manifest showing the air carriers used; and
- (2) Justification for the use of foreign-flag air *carriers* similar to the one shown in the clause at 52.247-63, Preference for *U.S.-Flag Air Carriers*.
