52.103 Identification of provisions and clauses.

(a) Whenever any FAR provision or clause is used without deviation in a *solicitation* or contract, whether it is incorporated by reference or in full text, it *shall* be identified by number, title, and date. This identification *shall* also be used if the FAR provision or clause is used with an authorized deviation, except that the *contracting officer shall* then insert "(DEVIATION)" after the date. Solicited firms and contractors will be advised of the meaning of this insertion through the use of the (1) provision at <u>52.252-5</u>, Authorized Deviations in Provisions, or (2) clause at <u>52.252-6</u>, Authorized Deviations in Clauses. The above mentioned provision and clause are prescribed in <u>52.107</u>(e) and (f).

(b) Any provision or clause that supplements the FAR whether it is incorporated by reference or in full text *shall* be clearly identified by number, title, date, and name of the regulation. When a supplemental provision or clause is used with an authorized deviation, insert "(DEVIATION)" after the name of the regulation.

(c) A provision or clause of the type described in 52.101(b)(2)(i)(C) shall be identified by the title, date, and the name of the agency or suborganization within the agency that developed it.

(d) Except for provisions or clauses covered by 52.103(c), the following hypothetical examples illustrate how a provision or clause that supplements the FAR *shall* be identified when it is incorporated in *solicitations* and/or contracts by reference or in full text:

(1) If <u>part 14</u> (Sealed Bidding) of the X Agency *Acquisition* Regulation, published in the *Federal Register* and codified as Chapter 99 in 48 CFR, prescribes the use of a provision entitled "Bid Envelopes," dated October 1983, and that provision is sequentially the first provision or clause appearing in Section <u>52.214</u> of the X Agency *Acquisition* Regulation, then the identification of that provision *shall* be "9952.214-70-Bid Envelopes (Oct 1983)."

(2) Assume that Y, a major organizational element of the X Agency, is authorized to issue the Y *Acquisition* Regulation, which is not published in the *Federal Register* and codified in 48 CFR. If <u>part 36</u> (*Construction* and Architect-Engineer Contracts) of the Y *Acquisition* Regulation prescribes the use of a clause entitled "Refrigerated Display Cases," dated March 1983, pertaining to a specialized type of *construction* work, and that clause is sequentially the second provision or clause appearing in Section <u>52.236</u> of the Y *Acquisition* Regulation, then the identification of that clause *shall* be "52.236-71-Refrigerated Display Cases (Mar 1983)-Y *Acquisition* Regulation."
