52.207-4 Economic Purchase Quantity-Supplies.

As prescribed in $\underline{7.203}$, insert the following provision:

Economic Purchase Quantity-Supplies (Aug 1987)

(a) *Offerors* are invited to state an opinion on whether the quantity(ies) of *supplies* on which bids, proposals or quotes are requested in this *solicitation* is (are) economically advantageous to the Government.

(b) Each *offeror* who believes that *acquisitions* in different quantities would be more advantageous is invited to recommend an economic purchase quantity. If different quantities are recommended, a total and a unit price *must* be quoted for applicable items. An economic purchase quantity is that quantity at which a significant price break occurs. If there are significant price breaks at different quantity points, this information is desired as well.

Offeror Recommendations

Item	Quantity	Price Quotation	Total

(c) The information requested in this provision is being solicited to avoid *acquisitions* in disadvantageous quantities and to assist the Government in developing a data base for future *acquisitions* of these items. However, the Government reserves the right to amend or cancel the *solicitation* and resolicit with respect to any individual item in the event quotations received and the Government's requirements indicate that different quantities *should* be acquired.

(End of provision)
