

## 53.105 Computer generation.

(a) The forms prescribed by this part *may* be computer generated without *exception* approval (see [53.103](#)), provided-

(1) There is no change to the name, content, or sequence of the data elements, and the form carries the Standard or Optional Form number and edition date (see [53.111](#)); or

(2) The form is in an electronic format covered by the American National Standards Institute (ANSI) X12 Standards published by the Accredited Standards Committee X12 on *Electronic Data Interchange* or a format that can be translated into one of those standards.

(b) The standards listed in paragraph (a)(2) of this section *may* also be used for submission of data set forth in other parts for which specific forms have not been prescribed.
