53.214 Sealed bidding.

The following forms are prescribed for use in *contracting* by sealed bidding (except for *construction* and *architect-engineer services*):

- (a) <u>SF 26</u> (Rev. 12/2022), Award/Contract. <u>SF 26</u> is prescribed for use in awarding sealed bid contracts for *supplies* or services in which bids were obtained on <u>SF 33</u>, Solicitation, Offer and Award, as specified in 14.408-1(d)(1). Block 18 may only be used for sealed-bid procurements.
- (b) $\underline{SF\ 30}$, Amendment of Solicitation/Modification of Contract. $\underline{SF\ 30}$, prescribed in $\underline{53.243}$, shall be used in amending invitations for bids, as specified in $\underline{14.208}$ (a).
- (c) <u>SF 33</u> (Rev. 12/2022), Solicitation, Offer and Award. <u>SF 33</u> is prescribed for use in soliciting bids for *supplies* or services and for awarding the contracts that result from the bids, as specified in <u>14.201-2</u>(a)(1), unless award is accomplished by <u>SF 26</u>.
- (d) <u>SF 1447</u> (Rev. 12/2022), Solicitation/Contract. <u>SF 1447</u> is prescribed for use in soliciting supplies or services and for awarding contracts that result from the bids. It shall be used when the simplified contract format is used (see 14.201-9) and may be used in place of the <u>SF 26</u> or <u>SF 33</u> with other solicitations and awards. Agencies may prescribe additional detailed instructions for use of the form.

(e) [Reserved]

- (f) <u>SF 1409</u> (Rev. 9/88), Abstract of Offers, and <u>SF 1410</u> (9/88), Abstract of Offers-Continuation. <u>SF 1409</u> and <u>SF 1410</u> are prescribed for use in recording bids, as specified in 14.403(a).
- (g) <u>OF 17</u> (Rev. 12/93), Offer Label. <u>OF 17</u> may be furnished with each invitation for bids to facilitate identification and handling of bids, as specified in <u>14.202-3</u>(b).
- (h) OF 336 (Rev.3/86), Continuation Sheet. OF 336 may be used as a continuation sheet in solicitations, as specified in 14.201-2(b).
