

# 536.521 Specifications and drawings for construction.

Insert the clause at [552.236-21](#), Specifications and Drawings for Construction, in solicitations and contracts if construction, dismantling, demolition, or removal of improvements is contemplated. Use the clause with its Alternate I when a design-build project delivery method will be followed—

(a) With its Alternate I when a design-build project delivery method will be followed.

(b) With its Alternate II when a construction-manager-as-constructor project delivery method will be followed.
