539.7002 Solicitation provisions and contract clause.

Except for solicitations and contracts for personal services with individuals—

(a) Insert the provision at 552.239-70, Information Technology Security Plan and Security Authorization, in solicitations that include information technology supplies, services or systems in which the contractor will have physical or electronic access to government information that directly supports the mission of GSA.

(b) Insert the clause at 552.239-71, Security Requirements for Unclassified Information Technology Resources, in solicitations and contracts containing the provision in paragraph (a) of this section.
