

552.270-29 Acceptance of Space.

As prescribed in [570.703](#), insert the following clause:

Acceptance of Space (Jun 2011)

(a) When the lessor has completed all alterations, improvements, and repairs necessary to meet the requirements of the lease, the lessor shall notify the Contracting Officer. The Contracting Officer or designated representative shall promptly inspect the space.

(b) The Government will accept the space and the lease term will begin after determining that the space is substantially complete and contains the required ABOA square footage as indicated in the solicitation paragraph, Amount and Type of Space.

(End of clause)
