PGI 243.204-71 Certification of requests for equitable adjustment.

(b) For example, a request for equitable adjustment that involves both an increase of $100,000 and a decrease of $105,000 has an absolute value of $205,000 ($100,000 + $105,000, regardless of whether the amounts are plus or minus), which exceeds the simplified acquisition threshold.
