Subpart 231.3 - CONTRACTS WITH EDUCATIONAL INSTITUTIONS

Parent topic: Part 231 - CONTRACT COST PRINCIPLES AND PROCEDURES

231.303 Requirements.

(1) Pursuant to section 841 of the National Defense Authorization Act for Fiscal Year 1994 (Pub. L. 103-160), no limitation may be placed on the reimbursement of otherwise allowable indirect costs incurred by an institution of higher education under a DoD contract awarded on or after November 30, 1993, unless that same limitation is applied uniformly to all other organizations performing similar work under DoD contracts. The 26 percent limitation imposed on administrative indirect costs by OMB Circular No. A-21 shall not be applied to DoD contracts awarded on or after November 30, 1993, to institutions of higher education because the same limitation is not applied to other organizations performing similar work.

(2) The cognizant administrative contracting officer may waive the prohibition in 231.303 (1) if the governing body of the institution of higher education requests the waiver to simplify the institution’s overall management of DoD cost reimbursements under DoD contracts.

(3) Under 10 U.S.C. 4652, the costs cited in 231.205-22 (a) are unallowable.
