242.7001 Contract clause.

Use the clause at 252.242-7005, Contractor Business Systems, in solicitations and contracts (other than in contracts with educational institutions, Federally Funded Research and Development Centers (FFRDCs), or University Affiliated Research Centers (UARCs) operated by educational institutions) when—

(a) The resulting contract will be a covered contract as defined in 242.7000 (a); and

(b) The solicitation or contract includes any of the following clauses:

(1) 252.215-7002 , Cost Estimating System Requirements.

(2) 252.234-7002 , Earned Value Management System.

(3) 252.242-7004 , Material Management and Accounting System.

(4) 252.242-7006 , Accounting System Administration.

(5) 252.244-7001 , Contractor Purchasing System Administration.

(6) 252.245-7003 , Contractor Property Management System Administration.
