Subpart 242.74 - TECHNICAL REPRESENTATION AT CONTRACTOR FACILITIES

Parent topic: Part 242 - CONTRACT ADMINISTRATION

242.7400 General.

(a) Program managers may conclude that they need technical representation in contractor facilities to perform non-contract administration service (CAS) technical duties and to provide liaison, guidance, and assistance on systems and programs. In these cases, the program manager may assign technical representatives under the procedures in 242.7401 .

(b) A technical representative is a representative of a DoD program, project, or system office performing non-CAS technical duties at or near a contractor facility. A technical representative is not—

(1) A representative of a contract administration or contract audit component; or

(2) A contracting officer's representative (see 201.602).

242.7401 Procedures.

When the program, project, or system manager determines that a technical representative is required, follow the procedures at PGI 242.7401 .
