242.7400 General.

(a) Program managers may conclude that they need technical representation in contractor facilities to perform non-contract administration service (CAS) technical duties and to provide liaison, guidance, and assistance on systems and programs. In these cases, the program manager may assign technical representatives under the procedures in 242.7401 .

(b) A technical representative is a representative of a DoD program, project, or system office performing non-CAS technical duties at or near a contractor facility. A technical representative is not—

(1) A representative of a contract administration or contract audit component; or

(2) A contracting officer's representative (see 201.602).
