252.225-7053 Representation Regarding Prohibition on Use of Certain Energy Sourced from Inside the Russian Federation.

As prescribed in 225.7019-4 Solicitation provision and contract clause.(a), use the following provision:

REPRESENTATION REGARDING PROHIBITION ON USE OF CERTAIN ENERGY SOURCED FROM INSIDE THE RUSSIAN FEDERATION (AUG 2021)

(a) *Definitions*. As used in this provision—

Covered military installation means a military installation in Europe identified by DoD as a main operating base.

Furnished energy means energy furnished to a covered military installation in any form and for any purpose, including heating, cooling, and electricity.

Main operating base means a facility outside the United States and its territories with permanently stationed operating forces and robust infrastructure.

(b) *Prohibition*. In accordance with section 2821 of the National Defense Authorization Act for Fiscal Year 2020 (Pub. L. 116-92), contracts for the acquisition of furnished energy for a covered military installation shall not use any energy sourced from inside the Russian Federation as a means of generating the furnished energy for the covered military installation, unless a waiver is approved. The prohibition—

(1) Applies to all forms of energy that are furnished to a covered military installation; and

(2) Does not apply to energy converted by a third party into another form of energy and not directly delivered to a covered military installation.

(c) Representation. By submission of its offer, the Offeror represents that the Offeror will not use or provide any energy sourced from inside the Russian Federation as a means of generating the furnished energy for the covered military installation in the performance of any contract, subcontract, or other contractual instrument resulting from this solicitation.
