52.204-7 System for Award Management.

As prescribed in 4.1105(a)(1), use the following provision:

System for Award Management (Nov 2024)

(a) Definitions. As used in this provision—

"*Electronic Funds Transfer (EFT) indicator* means a four-character suffix to the *unique entity identifier*. The suffix is assigned at the discretion of the commercial, nonprofit, or Government entity to establish additional *System for Award Management* records for identifying alternative EFT accounts (see subpart 32.11) for the same entity.

Registered in the System for Award Management (SAM) means that–

(1) The *Offeror* has entered all mandatory information, including the *unique entity identifier* and the EFT indicator, if applicable, the *Commercial and Government Entity (CAGE) code*, as well as data required by the Federal Funding Accountability and Transparency Act of 2006 (see subpart 4.14) into SAM

(2) The *offeror* has completed the Core, Assertions, and Representations and Certifications, and Points of Contact sections of the registration in SAM;

(3) The Government has validated all mandatory data fields, to include validation of the *Taxpayer Identification Number (TIN*) with the Internal Revenue Service (IRS). The *offeror* will be required to provide consent for TIN validation to the Government as a part of the SAM registration process; and

(4) The Government has marked the record "Active".

Unique entity identifier means a number or other identifier used to identify a specific commercial, nonprofit, or Government entity. See www.sam.gov for the designated entity for establishing *unique entity identifiers*.

(b)

(1) An *Offeror* is required to be registered in SAM when submitting an *offer* or quotation and at time of award (see FAR clause 52.204-13, *System for Award Management* Maintenance, for the requirement to maintain SAM registration during performance and through final payment).

(2) The *Offeror shall* enter, in the block with its name and address on the cover page of its *offer*, the annotation "*Unique Entity Identifier*" followed by the *unique entity identifier* that identifies the *Offeror*'s name and address exactly as stated in the *offer*. The *Offeror* also *shall* enter its EFT indicator, if applicable. The *unique entity identifier* will be used by the *Contracting Officer* to verify that the *Offeror* is registered in the SAM.

(c) If the *Offeror* does not have a *unique entity identifier*, it *should* contact the entity designated at www.sam.gov for establishment of the *unique entity identifier* directly to obtain one. The *Offeror should* be prepared to provide the following information:

(1) Company legal business name.

(2) Tradestyle, doing business, or other name by which your entity is commonly recognized.

(3) Company physical street address, city, state, and Zip Code.

(4) Company mailing address, city, state and Zip Code (if separate from physical).

(5) Company telephone number.

(6) Date the company was started.

(7) Number of employees at your location.

(8) Chief executive officer/key manager.

(9) Line of business (industry).

(10) Company headquarters name and address (reporting relationship within your entity).

(d) Processing time *should* be taken into consideration when registering. *Offerors* who are not registered in SAM *should* consider applying for registration immediately upon receipt of this *solicitation*. See https://ww.sam.gov for information on registration.

(End of provision)
