Contracting officers shall include the following procurement notes in solicitations as prescribed below:

*****

L11 Small Business Program Representations (AUG 2017)

(1) In order to facilitate the use of electronic commerce/electronic data interchange while fulfilling the requirements of the small business program, the Government provides certain socioeconomic information in a coded format rather than a fill-in. Electronic commerce/electronic data interchange (EC/EDI) transactions are often reformatted in transmission. Using these codes prevents misinterpretations within the system and increases accuracy in socioeconomic program reporting.

(2) To reflect the representations and certifications contained in Federal Acquisition Regulation (FAR) 52.219-1, Small Business Program Representations, the offeror represents and certifies as a part of its offer that it is a ____ business type as defined in FAR 52.219-1. The offeror shall select the one alpha code from the following listing that represents the offeror’s business type. The offeror’s recording of its business type in this procurement note by means of an alpha code replaces the marking of the appropriate boxes in FAR 52.219-1(b). Penalties for misrepresentation of business status apply (see FAR 52.219-1, paragraph (d)(2)).

Code B = Small Business. Enter code B if your firm is a small business concern, as defined in FAR 52.219-1, paragraph (a).

Code M = Small Disadvantaged Business. Enter code M if your firm is a small disadvantaged business concern, as defined in FAR 52.219-1, paragraph (a).
Code U = Woman-Owned Small Disadvantaged Business. Enter code U if your firm is a woman-owned business, as defined in FAR 52.219-1, paragraph (a), and a small disadvantaged business, as defined in FAR 52.219-1, paragraph (a).

Code W = Woman-Owned Small Business. Enter Code W if your firm is a woman-owned small business, as defined in FAR 52.219-1, paragraph (a).

**SUBPART 19.5 - SET-ASIDES FOR SMALL BUSINESS**

*(Revised October 13, 2020 through PROCLTR 2020-19)*

**19.502-2 Total small business set-asides.**

(a)(S-90) The contracting officer shall submit DD Form 2579, Small Business Coordination Record. When withdrawing a set-aside, the contracting officer shall document the reason on the DD Form 2579 or attach a memorandum for record supporting the decision and submit it to the procuring organization small business specialist for review. The contracting officer shall file all documents in the contract file or electronic contract folder.

**19.505 Rejecting Small Business Administration recommendations.**

(b) If the CCO approves the action of the contracting officer, the next level of appeal shall be the HCA. If the HCA approves the action of the contracting officer, the procurement center representative shall be so advised and may proceed with the appeal actions prescribed in FAR 19.505(c).

**19.590 Cascading/combined set-aside logic clauses for Enterprise Business Systems applications.**

(a) Enterprise Business Systems (EBS) systems logic for automated procurements considers the applicability of more than one kind of set-aside in a combined or “cascading” fashion, based on the order of precedence in 19.590(b). EBS systems logic simultaneously accommodates service-disabled veteran-owned small business (SDVOSB) set-asides, HUBZone small business set-asides, and total small business set-asides, including exceptions and waivers to the non-manufacturers rule. If, at the time of solicitation, there is a reasonable expectation of receiving offers from two or more SDVOSBs or HUBZone small business concerns, the EBS software uses a combined set-aside for the automated solicitation. The Government encourages all small businesses to submit quotations. The applicable procurement notes inform offerors of the order of precedence that applies.

(b) If the acquisition is valued between the micro-purchase threshold and the SAT and there is a reasonable expectation of receiving competitive offers from two or more SDVOSB concerns and two or more HUBZone small business concerns, EBS will automatically issue an RFQ as a combined set-aside based on the following order of precedence:

1. SDVOSB concerns.

2. If no qualified quote is received from a SDVOSB concern, HUBZone small business concerns.

3. If no qualified quote is received from a HUBZone concern, small business concerns and Federal Prison Industries (FPI).

(c) If the acquisition is valued between the micro-purchase threshold and the SAT and there is a reasonable expectation of receiving competitive offers from two or more SDVOSB concerns but not
from two or more HUBZone concerns, EBS will automatically issue an RFQ as a combined set-aside based on the following order of precedence:

(1) SDVOSB concerns.

(2) If no qualified quote is received from a SDVOSB concern, small business concerns.

(3) If no qualified quote is received from a HUBZone concern, small business concerns and Federal Prison Industries (FPI).

(d) If the acquisition is valued between the micro-purchase threshold and the SAT and there is a reasonable expectation of receiving competitive offers from two or more HUBZone small business concerns but not from two or more SDVOSB concerns, EBS will automatically issue an RFQ as a combined set-aside based on the following order of precedence:

(1) HUBZone small business concerns.

(2) If no qualified quote is received from a HUBZone concern, small business concerns and Federal Prison Industries (FPI).

(e) If the acquisition is valued between the micro-purchase threshold and the SAT and there is a reasonable expectation of receiving competitive offers from two or more small businesses but not from two or more SDVOSB concerns or two or more HUBZone small business concerns, EBS will automatically issue an RFQ as a total small business set-aside.

(f) If, after combining and “cascading” these set-asides, no qualified quote is received from a small business concern at a fair market price, EBS will withdraw the set-aside and automatically resolicit on an unrestricted basis.

**SUBPART 19.6 – CERTIFICATES OF COMPETENCY**

(Revised August 3, 2017 through PROCLTR 2017-19)

**19.602 Procedures.**

**19.602-1 Referral.**

(S-90) Procuring organizations may use DLA Form 1756, Referral of Small Business for Certificate of Competency (CoC) Consideration.

**19.602-3 Resolving differences between the Agency and the Small Business Administration.**

(c)(S-90)(i) Within 3 working days after receiving the SBA headquarters notification of its intention to uphold the SBA area office decision to issue a CoC, the contracting officer shall email a report to the DLA Acquisition Compliance, Policy and Pricing Division summarizing the facts of the case. The contracting officer shall send voluminous reports by express mail. The contracting officer shall include in the report the name of the prospective contractor, the item, the quantity, the dollar value, the specific elements for which the prospective contractor was determined to be nonresponsible, a copy of the relevant portions of the preaward survey, SBA’s rationale for issuing the CoC, and the proposed alternative means of satisfying the requirements. The contracting officer shall forward a copy of the report to the procuring organization small business specialist.
(ii) The DLA Acquisition Director shall review the report and determine whether to support the formal appeal or accept the COC. The DLA Acquisition Compliance, Policy and Pricing Division shall advise the contracting officer of the DLA Acquisition Director’s decision within 5 working days and provide a copy of the decision to the Small Business Programs Director.

(iii) If the DLA Acquisition Director supports the contracting officer’s intent to appeal, the DLA Acquisition Compliance, Policy and Pricing Division will advise the contracting officer to forward the formal appeal to the departmental director of the Office of Small Business Programs (reference DFARS PGI 219.602-3) within 5 working days and simultaneously provide a copy to the DLA Acquisition Director. The contracting officer shall include in the formal appeal the report provided to the DLA Acquisition Compliance, Policy and Pricing Division, an update on the contractor’s progress toward becoming responsible, and a discussion of the attempts made to reconcile differences with the SBA. The contracting officer shall index and tab the formal appeal.

(S-91) Once the procuring organization submits the formal appeal to SBA headquarters, DLA contracting personnel are not authorized to waive the right to appeal or to forfeit an appeal without the concurrence of the DLA Acquisition Director. If the procuring organization requests such concurrence, the contracting officer shall provide substantially the same type of information submitted in the report notifying the DLA Acquisition Director of the contracting officer’s intention to appeal.

(S-92) The contracting officer shall forward all reports submitted to the DLA Acquisition Director concerning COC appeals through the CCO.

(S-93) The requirements of 19.602-3(c)(S-90)-(S-92) do not apply to simplified acquisitions. Procuring organizations may develop procedures to process appeals on simplified acquisitions.

19.602-4 Awarding the contract.

(c)(S-90) If the SBA area office has not responded to the procuring organization within 5 working days after referral, the procuring organization will contact the SBA area office to confirm if it is processing a CoC. Contracting officers shall document the contract file to reflect they took this action.

(S-91) For simplified acquisitions, the contracting officer shall not agree to a period of time longer than 15 working days for the SBA to issue a COC before proceeding to award to another offeror, unless the extension is approved by the CCO.

Contracting officers shall give special attention to commodities and services expected to be recurring requirements and for which there is a limited number of prospective small business sources.
