### **1819.7201 Scope of subpart.**

(a) This subpart implements the NASA Mentor-Protégé Program (hereafter referred to as the Program) established under the authority of Title 42, U.S.C., 2473(c)(1). The purpose of the Program is to:

(1) Provide incentives to NASA contractors, performing under at least one active, approved subcontracting plan negotiated with NASA, to assist protégés in enhancing their capabilities to perform as viable NASA contractors, other Government contractors, and commercial suppliers on

contract and subcontract requirements.

(2) Increase the overall participation of protégés as subcontractors and suppliers under NASA contracts, other Federal agency contracts, and commercial contracts; and

(3) Foster the establishment of long-term business relationships between protégés and mentors.

(b) Under the Program, eligible entities approved as mentors will enter into mentor-protégé agreements with eligible protégés to provide appropriate developmental assistance to enhance the capabilities of the protégés to perform as subcontractors and suppliers. NASA may provide the mentor award fee incentives. Additionally, this subpart explains the calculated subcontracting credit for a mentor-protégé program pursuant to FAR 52.219-9, Small Business Subcontracting Plan.

### **1819.7202 Eligibility.**

(1) A large prime contractor performing with at least one approved subcontracting plan, other than a commercial plan, negotiated with NASA, pursuant to FAR Subpart 19.7, the Small Business Subcontracting Program. A contractor may apply to become a mentor if they currently are not performing under a NASA contract as long as they are currently performing another Federal agency contract with an approved subcontracting plan. The NASA mentor-protégé agreement, however, will not be approved until the mentor company is performing under a NASA contract with an approved subcontracting plan; and

(2) Eligible for receipt of Government contracts. An entity will not be approved for participation in the Program if, at the time of submission of the application to the Headquarters Office of Small Business Programs, the entity is currently debarred or suspended from contracting with the Federal Government pursuant to FAR Subpart 9.4, Debarment, Suspension, and Ineligibility.

Federal agencies participating in the SBIR/STTR Programs (SBIR/STTR agencies) are obligated to follow the guidance provided by the SBA Policy Directive. NASA is required to ensure its policies, regulations, and guidance on the SBIR/STTR Programs are consistent with SBA's Policy Directive.
