Subpart 5639.1 - GENERAL

Parent topic: Part 5639 - ACQUISITION OF INFORMATION TECHNOLOGY

5639.105 Privacy.

5639.105-90 Policy.

(d) The requiring activity will address the need for privacy protection in the specifications or Statement of Work (SOW). Contracting officers will notify the appropriate organization or office when it intends to issue a solicitation for items or services with an element of privacy protection. Contracting officers will identify the point of contact or agency responsible for oversight of privacy protection to the contractor after award.
