Subpart 704.4—Safeguarding Classified Information Within Industry

Parent topic: PART 704—ADMINISTRATIVE AND INFORMATION MATTERS

704.404 Contract clauses.

(a) When the contract includes a requirement for the contractor to access classified (“Confidential”, “Secret”, or “Top Secret”), or administratively controlled (“Sensitive But Unclassified”) information, the contracting officer must insert (48 CFR) FAR clause 52.204-2, Security Requirements and (48 CFR) AIDAR clause 752.204-2, Security Requirements, in the solicitation and award.

(b) [Reserved]
