903.303 Reporting suspected antitrust violations.

(a) Potential anti-competitive practices, such as described in 48 CFR 3.301, and antitrust law violations as described in 48 CFR 3.303, evidenced in bids or proposals, shall be reported to the Office of General Counsel through the Head of the Contracting Activity with a copy to the Senior Procurement Executive. The Office of General Counsel will provide reports to the Attorney General, as appropriate.
