Subpart 904.7—Contractor Records Retention

Parent topic: PART 904—ADMINISTRATIVE MATTERS

904.702 Applicability.

(b) Contracts containing the *Integration of Environment, Safety and Health into Work Planning and Execution* clause at 970.5223-1, as prescribed by 952.223-71, or the *Radiation Protection and Nuclear Criticality* clause at 952.223-72 must also include the *Preservation of Individual Occupational Radiation Exposure Records* clause at 952.223-75, and the *Access to and Ownership of Records* clause at 970.5204-3, which will necessitate retention of records in accordance with the National Archives and Records Administration (NARA)-approved DOE Records Disposition Schedules, rather than those found at FAR Subpart 4.7.
