Subpart 906.3—Other Than Full and Open Competition

Parent topic: PART 906—COMPETITION REQUIREMENTS

906.304 Approval of the justification.

(c) Class justifications within the delegated authority of a Head of the Contracting Activity may be approved for:

(1) Contracts for electric power or energy, gas (natural or manufactured), water, or other utility services when such services are available from only one source;

(2) Contracts under the authority cited in 48 CFR 6.302-4 or 6.302-5; or

(3) Contracts for educational services from nonprofit institutions. Class justifications for classes of actions that may exceed $10,000,000 require the approval of the Senior Procurement Executive.
