Subpart 942.2—Contract Administration Services

Source: 65 FR 81007, Dec. 22, 2000, unless otherwise noted.

Parent topic: PART 942—CONTRACT ADMINISTRATION AND AUDIT SERVICES

942.270-1 Contracting Officer's Representatives.

In accordance with internal agency procedures, a contracting officer may designate other qualified personnel to be the Contracting Officer's Representative (COR) for the purpose of performing certain technical functions in administering a contract. These functions include, but are not limited to, technical monitoring, inspection, approval of shop drawings, testing, and approval of samples. The COR acts solely as a technical representative of the contracting officer and is not authorized to perform any function that results in a change in the scope, price, terms or conditions of the contract. COR designations must be made in writing by the contracting officer, and shall identify the responsibilities and limitations of the designation. A copy of the COR designation must be furnished to the contractor and the contract administration office.

942.270-2 Contract clause.

The clause at 952.242-70, Technical Direction, or a clause substantially the same, may be inserted in solicitations and contracts when a designated Contracting Officer's Representative will issue technical direction to the contractor under the contract.
