605.207 Preparation and transmittal of synopses.

(a)

(1) Contracting officers at overseas posts shall submit notices of proposed contract actions to A/OPE for electronic transmittal to the GPE. Alternately, posts may obtain a user ID and password that allows direct registration and issuance of the notice in the GPE. Posts should contact A/OPE for assistance in obtaining the ID and password if they choose to directly input the notice information.
