Subpart 1528.3—Insurance

Parent topic: PART 1528—BONDS OF INSURANCE

1528.301 Insurance liability to third persons.

Contracting officers shall insert the clause at 1552.228-70, Insurance Liability to Third Persons, in cost-reimbursement solicitations and contracts, except those for construction and architect-engineer services.

Note:

This clause may be used in contracts awarded utilizing architect-engineer services such as requirements for Superfund cleanups (e.g., response action contracts). The clause does not apply to Superfund indemnification for third party pollution liability or coverage for commercial pollution liability insurance as prescribed by section 119 of CERCLA as amended by SARA.
